100 Homes
CHALLENGE

We will surprise several wounded warrior families at this event with the news they will receive a specially adapted home from Helping a Hero, custom tailored to their mobility and independence needs!

Please join the 100 Homes Challenge and help these Texas heroes get a custom designed home, allowing them to regain their independence and freedom within their homes. Wounded heroes from San Antonio, New Braunfels, Amarillo, Houston, and Fort Worth will be joining us for this special event. A minimum of 7 homes will be awarded in Texas in 2022.

We'd love to build more this year with your support.

Join The 100 Homes Challenge and change a life forever!

Johnny Morris, Founder of Bass Pro Shops, pledged 25% of the cost of the next 100 Homes and invites the American people and companies alike to join him in the 100 Homes Challenge. Will you join the 100 Homes Challenge by making a donation to Helping a Hero today? Please donate whatever you can, no amount is too small and no amount is too large!! Join us in telling our wounded heroes "Thank you for your service" in a tangible way by building homes for those injured in the Post 9-11 Global War on Terror.

And whether you make a donation or not, you can still help! We invite you to Nominate a Hero for one of these homes by going to our website, HelpingaHero.org.
